About Us

Euphoria Textiles, a 100% Export Oriented Knitted garments Manufacturer and Exporter, started its journey in the year 2020 but in prior it was in the name of Maliha Knit Fashion (replaced by Euphoria Textile in 2020) started its journey in 2015 and today has become one of the pioneer garment manufacturing companies in Bangladesh. From the inception of the company, we continue to expand vertically.

We have come all the way more than 5 years with confidence and pride of being able to meet our valued customers' requirements by producing top quality garments in a pleasant environment and meeting timely delivery. Management of the company is very much aware of the fact that today's garments business in the international market is a place where law of perfect competition operates to its maximum. Keeping in mind the above fact Euphoria Textile is very much focused on producing top quality garments in a fully compliant environment and meeting timely delivery more than ever before. We all at Euphoria Textile from top management to workers are committed to surpass customer expectation whatever we do. The management is strictly cautious about the essence of being proactive, positive thinking and being quick to response to customer's needs. Further we are very much aware that in today's business world, communication plays a vital role like never before and the secret of our success mostly depends on our proper and efficient communication system.

A rich experience of 5 years has made us earned a reputation and reliable name for quality knitted garments throughout the world, which we achieve by continuous and persistent efforts of the professional and expert employees and recognizing this fact the company has been awarded BSCI, Oeko Tex, SEDEX, C-TPAT and ISO

Euphoria Textiles expanding its capacity by introducing integrated technologies to remain globally up-to-date. It is truly an organization which is going with a glorious past and bright future
